*"Somerset Academy Inc., Dedicated to providing high quality, equitable education."*

## WELCOME BACK!!

We are looking forward to welcoming back our students and families to Somerset Academy for the 2008-2009 school year!

We still have limited openings in various grades that we need to fill. Please support our school by telling your friends about us!

This newsletter will contain current school issues and other information. Please know that the staff is always

here for your assistance.

Each month you will also receive a monthly calendar with important dates, information and an inspiring quote. Please read it carefully for upcoming events.

Please visit the uniform store to purchase new uniforms. There is a new store location in Plantation. We also have plenty of gently worn uniforms available in the

school's office. We are open between the hours of 9-3 each weekday.

Our **open house** will be held on **Friday, August 15th**. Families in grades K-2 can attend from 1pm-2pm and grades 3-5 from 2pm-3pm. Teachers will discuss important details about the classrooms and pass out valuable information. We hope to see you all!

### Upcoming Events

- August 15th– Open House at Somerset Davie
- August 18th– First day of school
- August 26th– No school. Planning Day.

## TECHNOLOGY

We are expanding our technology at Somerset Davie and can't wait to share the news. We have purchased interactive technology for all of our classrooms that will allow the whiteboards to enhance the learning process.

Teachers will be able to display and present lessons that allow students to come to the board and interact with the content. Teachers will be able to navigate educational websites without leaving the board. This experience will not only visually engage students but keep students interested in learning.

## STAFF NEWS

We want to share that Ms. Fuentes has decided to accept a position with a major corporation consulting on educational products. This was an opportunity that she felt she could not pass up on and therefore she will not be returning to our faculty for this school year. Although we are sad for her to leave our Somerset family we wish her only the best and much happiness.

Somerset Davie is happy to welcome back Ms. Ali to instruct our fourth grade students! Ms. Ali is very excited to join our school and it's families once again. She is eager

to challenge the students and has been working with Ms. Fuentes and Ms. Febus to make a smooth transition.

We are also excited to welcome back Ms. Rosas to our staff! Ms. Rosas has completed her Master's degree and is now certified in Exceptional Student Education and Marriage and Family Counseling. We are very proud of her accomplishments.

Congratulations to Miss Intag! This summer she married Mr. Luis Rivera. We wish them both a lifetime of love and happiness!
