NATIONAL BLUE RIBBON SCHOOL

We were so excited to go to Washington, D.C. to receive our National Blue Ribbon Award. Many of the families have asked about our trip and I thank you for sharing in our excitement for this incredible recognition.

Since 1982, the Department of Education has honored public and private schools whose students achieve at very high levels and have made steady improvement in student achievement. To be named a Blue Ribbon School is to be a part of an elite group. Out of 138,000 public and private schools in the United States there were only 266 public and charter schools and 49 private schools chosen to receive the award this year. Somerset Davie was the only school in Broward county to be nominated by the State of Florida this year.

To celebrate this award we are having a Blue Ribbon BBQ at Tree Tops Park in Davie, on January 28th, 2012 from 12-3pm for our students and their families. If you would like to assist in any way please contact Rachel Pearson at r.pearson@corporateouting.com

I am proud to see our Blue Ribbon Car Magnets displayed and hope you are enjoying your cups. We are so proud of this recognition and thankful for our staff, students and families.

Harvest Drive

Our Harvest Drive collection was a huge success! Through our character education program our students learned a wonderful lesson about ways to help out in the community. The students were excited to make posters, collect non-perishable food items, and sort the donations to prepare it for pickup. I know many families will benefit from their efforts.

We would like to thank you for your assistance with this community service project and for making a difference in the lives of others.
