

Somerset Davie News

Students Give Somerset Davie a Vote of Approval for New Technology!

We are so excited to tell you about the newest technology addition to our classrooms. It gives us the ability to track student progress while maximizing student participation.

It's our new student Mimio-Vote system and it is a big hit in our first through fifth grade classrooms. This technology is not only new for our school, but it is the latest technology just made available. Somerset Davie is one of the first schools to have this in our class rooms! It works seamlessly with our interactive white boards and allows teachers to

instantly gauge student understanding. It gives our classes the ability to display and discuss results of questions with the children immediately. It even scores tests and quizzes and puts the data into the teacher's grade book to track our student progress.

While watching the students interact with this technology you can hear them say, "This is fun!" or "Can we do more?" and the whole time the teacher has the ability to know which student understands the important concepts and those that may need more review.

We are dedicated to providing high quality and equitable education.

Box Tops for Education

Please send in your Box Tops to help support our school. We have a collection box in the front office. Label your baggies with your child's name and grade. The class with the most Box Tops will win prizes!

Pop Tab Collection

We collect pop tabs to support the Ronald McDonald House Charities. Please send in pop tabs and place in container located in the front office. The Ronald McDonald House recycles these pop tabs to raise money to support the families of sick children.

Important Reminders

Morning Drop Off

I can't express enough how important it is for all families to use the carpool lane when dropping off their children to school. The parking spaces in front of our building are not to be used to make certain

that no one backs into the arriving cars and most importantly our children. Please take the extra minute to assist us in ensuring the safety of our children and families. If you have another family member dropping off, please alert them to this request.

Last Call for Spirit Shirt Orders!

Our new spirit shirts have arrived and there are still some students who would like to order shirts. We have sent home another form for anyone who would still like to order. Please have the order forms back to the school by October 8th so you don't miss out!

Important Dates:

October

Parent night	4th
Book Fair	4-8th
Picture Day	19th
Red Ribbon Week	25-31
Early Release	28th
